I recognize that hashing can be a dangerous activity with certain unknowable risks that cannot be prevented with the exercise of due care. Still, assuming all risks, foreseen or not, I voluntarily undertake to participate in the Mt.Vernon Hash House Harriers' (MVH³) Annual General Meeting (AGM) in Rehoboth, Delaware during April 25th-27th, 2008. I waive all recourse, for myself and for anyone else, against the MVH³ (collectively or individually against its officials or members that have helped organize or participated in AGM weekend), for any injury or harm arising from my participation in the AGM. I'm an adult, and I recognize that if I get lost or my feelings get hurt or suffer any harm, loss or injury during the AGM, it is not the fault of Mount Vernon Hash House Harriers. If applicable law voids any part of this waiver, unaffected provisions remain valid and fully enforceable.
